

PC Clerk

SIX SIGMA, an industry leader in electronic component interconnect technology and related test & failure analysis services, is seeking a technical, results-driven, detail-oriented inspector to join our Production Control team in Milpitas. If you are passionate about ensuring things are done on-time, a team player, and thrive in a small company environment where your individual contribution is highly visible, then we want to talk to you! Our candidate must have a US lawful permanent resident status or US citizenship.

Main Duties and Responsibilities:

As our PC Clerk (Mon - Fri, 8AM – 5PM), you will ensure that all our services and products are delivered on-time. You will provide timely delivery to customer through scheduling, coordinating, and expediting resources (manpower, materials, equipment, and processes); lot tracking through computer database; participating in efficiency improvements and solutions.

This position requires a high school diploma (or equivalent) plus at least 3 years of related experience preferably in the semiconductor or PCB assembly field plus excellent organizational & judgment skills.

No relocation fees will be considered.

Qualified candidates please send cover letter and resume to hr1@solderquik.com or fax to (408) 956-0199 attention Human Resources.

Winslow Automation, Inc/SIX SIGMA is an Equal Opportunity/Affirmative Action Employer.
